## PRESIDENT'S CHIPS

Happy New Year to all! I hope you found lots of collectable stuff under the tree. I had a great holiday, but it was nice to get back to work to rest up!

One of the issues facing us is a web site which we would like to develop for IOWMC. The ANA will host it as one of the benefits of their membership. Our problem is, what do we present? Of course we will want to put up the normal stuff, what we are about, who to contact, membership form, and club programs. We should also include stuff about the joys of collecting wooden money, and therein lies the problem. What should we present? What would *you* like to see on our web site? Send me an email with your suggestions too. It would be especially helpful if you have pictures you could send or loan us (digital preferred, but we can scan slides, negatives, and prints with no problem).

As stated last month, a gathering in Fostoria and sponsored by us has been scratched for 2004. But what about 2005? Would you attend such an event, maybe set up a table at the Fostoria Coin Club's show, help with the planning, or even chair the gathering? Contact any officer and let them know how you feel about it.

August may seem a long time from now, judging from all the ice and snow on the ground, but it isn't. The ANA Convention in Pittsburg is rapidly approaching and now is the time to start making arrangements. Book your hotel, get your tickets, ask for the time off from work, and generally get ready to go. It is easier to cancel bookings than it is to get them a month from show time. The club needs your donations for the raffle and auction, so start sending material to Virginia Dennis so she may get everything ready without rushing it.

My addresses are [bobfritsch@earthlink.net](mailto:bobfritsch@earthlink.net) for email and Box 3003, Nashua, NH 03061-3003 for USPS.

Hope to hear from you soon! *Bob Fritsch*

## FROM THE EDITOR'S DESK

I would like to acknowledge that this year marks our 40<sup>th</sup> anniversary as the IOWMC. Due to the efforts of many past and present members, we are able to reach this milestone. I would like to hear from our members and past officers that can recall the early times of our organization. This can be about a member who has passed on, our official meetings, or any part of the past you wish to share with our current membership. I will place these into the newsletter during the year as I receive them from you.

Let's not forget to send in our dues for 2004 to avoid delays in receiving the newsletter and reduce the cost of sending out notices to late mailers.

It is a new year and we need a theme to go with it. Send your theme to the editor for posting in Chips.

Here is hoping that your winter is short and your trip in the woods is long.

Until next month! *Robbin Quinn*

I received the below pictured wood from the Oshkosh Sawdust Days Committee, in Oshkosh WI. I wrote and asked if this would be a yearly issue. I have not received a reply back from them. Last year an issue was submitted by Ken Paulsen for 2003 with an article on Oshkosh, WI. This years release is in black and red. They are available for 50 cents each plus an SASE from: Oshkosh Sawdust Days, P. O. Box 436, Oshkosh, WI 54903-0436

### STATE WOOD SET FOR SALE

Would you like to have a set of woods that are from all 50 states and Washington, D. C.? Les Albright is offering not one from each state, but five from each state in this collection. A total of 255 wooden nickels housed in a three ring binder. Cost is \$85.00 plus postage. Les Albright, 300 N.E. 91<sup>st</sup>, Seattle, WA 98115 (206) 523-3929 or you can email at [jeanalbright@aol.com](mailto:jeanalbright@aol.com)

Scott Ferguson is working with his grandkids in putting a book together on the "Louisiana Purchase" and "The Lewis and Clark 200 Years". He wants to know if there are any woods available that involve both of these historical events? If you have woods that would help them, please contact Scott at 9734 Parkwood Road, Bonne Terre, MO 63628 email at [mail2fergie@yahoo.com](mailto:mail2fergie@yahoo.com)

Have rounds and flats to trade for the issues I'm looking for. Send a #10 SASE to receive my listing of trade woods. Have something from almost every state in rounds. Looking for wood issues from the Honolulu Coin Club as well. Robbin Quinn, 5295 Beechwood Road, Ravenna, OH 44266-9119 Email to [RAQ56@AOL.COM](mailto:RAQ56@AOL.COM)

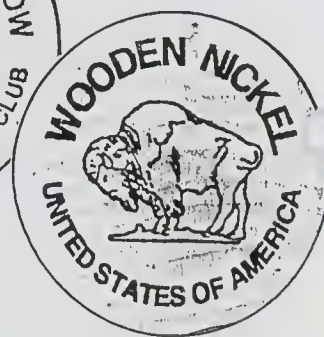

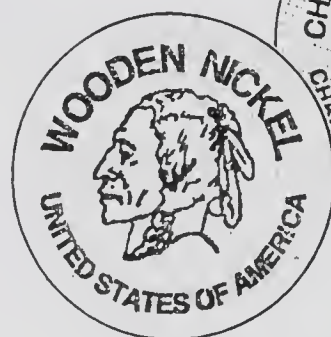

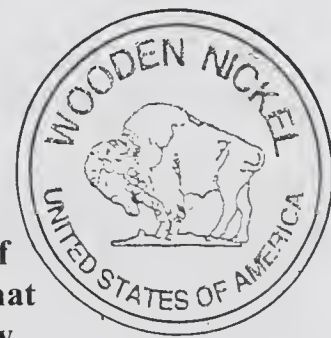

### LUNENBURG'S 275<sup>TH</sup> ANNIVERSARY

A wooden nickel was issued from Lunenburg, Mass. Issued in 2003 to mark their 275 years. Settled in 1718 and incorporated in 1728. The issue is printed in black ink on both sides of a standard wooden nickel.

These are being offered for sale at \$1.00 postpaid with additional woods priced at 50 cents each.

Send your requests to Ken Paulsen, P. O. Box 142327, Overland, MO 63114-0327 Will trade his Christmas issue for your Christmas issue

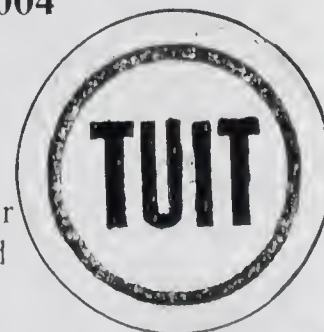

Also ask Ken about a listing of other official woods for sale that he has listed by state. You may find more than a few you are looking for.

The above pictured woods are being offered from the Charleston Coin Club for their 2003 show held last Oct. Asking 75 cents plus an SASE for a set of two, which feature an indian and buffalo printing. Black ink on both sides. Send your orders to the Charleston Coin Club, P. O. Box 65, St. Albans, WV 25177-0065 submitted by Donald Clifford

### DUES FOR 2004

I understand that some members seem to have a hard time when it comes to getting their dues paid on time each year or trying to recall how much the dues are. For this I offer the following info and your very own round to it. Send \$7.50 in a check or money order made out to the IOWMC and mail it out to Del Cushing, P. O. Box 88984, Seattle, WA 98138-2984

## A DAIRY QUEEN UPDATE

By Bob Brown

I recently received a batch of Dairy Queen woods from Darrell Luedtke of Wisconsin and among them were two woods that are being shown below. The one on top from Panama City, FL is similar to the one shown in my book "A PICTURE GUIDE BOOK OF THE DAIRY QUEEN WOODEN TOKENS" on page 29, picture position 8. Except that on this one the words DAIRY QUEEN are 27 mm wide while the one in the book is only 25 mm wide. Not much of a difference but noticeable when you compare the two issues. This token is in the traditional red in color and has a type three reverse. The token pictured on the bottom is from Princeton, IN and is also shown in my book on page 47, but this one has an Indian Head reverse while the one in the book has a Buffalo reverse. This token is black instead of the traditional red. I thank Darrell for sending me the tokens and I would like to encourage anyone who has any Dairy Queen tokens that are not listed in my book to send me copies of the tokens, or the tokens themselves if they have any to spare, and I will include them in my "DAIRY QUEEN UPDATE". You can contact me at P. O. Box 124, Highspire, PA 17034 or call me at (717) 944-9586, preferably in the afternoon or early evening. Many thanks to all who have helped me in the past.

Remember that ads are free to paid up members so send in your buy-sell-trade ads to the editor to have them placed in BC issues for up to three full months. It is your newsletter so get in here and use it to find woods and make new friends!!!!

## 2004 BENEFIT & RAFFLE DRAWING

I have already been asked by a few members if I was going to handle the drawing for IOWMC this coming year. Items have already been sent to me for this years meeting. I will be glad to accept this additional duty for IOWMC for this year. This will probably be my last year and I will make every attempt to make it another successful and profitable drawing. Those of you who have material ready to be mailed, do so and I will get busy working on this project. Thank You.

Mail your material to Virginia H. Dennis, 1852  
Golden Shadow Drive, Henderson, NV 89015-8620

## WOODS WANTED

Answering ads helps your woods to grow!!!!

Late last year, Norm Belsten sent in material that was featured in two issues of Bunyan's Chips on the Bluenose wood issues. I would like to thank Norm for the time and effort that he put into the articles that were used. Many inquiries were received after Coin World had published info as to the newsletter issues in their weekly publication. It is efforts like this that make your monthly newsletter possible.

### UNLISTED OHIO WOOD ISSUES

Listing of Ohio unlisted wood issues to 2003 is available to collectors for \$3.00 postpaid. The material is housed in a three punch folder and contains 12 pages of unlisted wood issues. An update will be done in 2005 and mailed out to anyone having the listing. Contact Robbin Quinn 5295 Beechwood Road, Ravenna, OH 44266-9119

Need the four issues from Bogalusa, Louisiana from 1939. I'm putting together a wood display and need these four flats for the project. If you have for trade or sale please contact the editor....

### GUIDE BOOK OF WOODEN MONEY

The Guide Book of Wooden Money 8<sup>th</sup> edition by M. Wayne Dennis is available for \$21.00 postpaid. Send your payment to: M. Wayne Dennis, 1852 Golden Shadow Drive, Henderson, NV 89015-8620

Can anyone tell me about this issue. There are five woods and they all have the St. Mary's Summer Festival on one side, but the obverse has three Indians in blue, red and black. The other two are a buffalo and printed in red and black. What area are they from and what type of festival is being held? Send your info to the club editor.

**Theme- In the woods more in 2004**

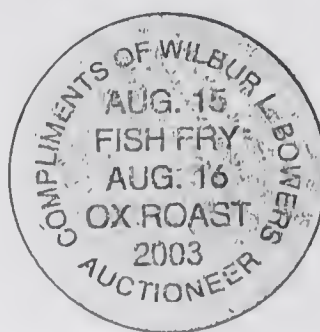

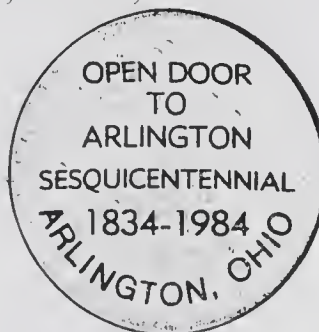

LET'S ANSWER THE ADS IF WE CAN AND  
HELP TO KEEP THEM COMING IN!!!!

## PRESIDENT'S CHIPS

It has been a busy month for me. A three-week trip to San Diego in January was interrupted by a 10 day jaunt to Okinawa where I boarded an amphibious assault ship and rode her to Sasebo, Japan. I only had one evening "on the ground" in that fascinating country but did not see any wooden money although I was on the lookout for it. Does anyone know of any Japanese wooden money?

Upon arriving home I had a letter from a former President of this august organization waiting for me. He asked what were the results of the election held this past year? I had thought we had published the meeting minutes in BC, but here they are anyway. The only contested seat was for the President with Norm Boughton receiving 25 votes to my 38 votes. The ballots were counted by three members chosen at random. The rest of the seats were uncontested, so Bill Snider remains VP1, Wayne Dennis is VP2, Del Cushing is the Secretary, Virginia Dennis Treasurer, and Floyd Thomas returns to the Board of Governors.

He also encourages a return to Fostoria, an event that I would love to see happen. I believe only good can come of such a gathering as it is purely wooden money. The annual meetings at the ANA convention are in our Constitution and By Laws, but there is nothing that says we cannot hold other meetings throughout the year. Let's work towards the goal of a meeting in Fostoria in 2005.

My addresses are [bobfritsch@earthlink.net](mailto:bobfritsch@earthlink.net) for email and Box 3003, Nashua, NH 03061-3003 for USPS. Hope to hear from you soon!  
Bob Fritsch

## FROM THE EDITOR'S DESK

Thank you to all the members who take the time to send material into BC. We need your buy-sell-trade ads to fill in part of the March and April issues. These are free, so mail them in to make these issues. This issue is running late due to personal injury and family problems. Both are looking better and I should be back on track for the March mailing.

I received a note from Donna Streeter's family that she has been placed in an assisted living program and they request that she be removed from the membership and mailing list. Donna was very active in our club and held many positions in our organization during the growth of our hobby. She will be missed by us who knew her.

We are starting to see some new members signing up in our organization so please take a few minutes to drop them a line and offer your help to answer their questions or direct them to collectors who can help them. This small effort on our part makes the difference between a one year membership and a twenty year membership for many.

Until next month Robbin Quinn

## PRESIDENT'S CHIPS

Pittsburgh. The very name invokes images of long-established professional sports teams, steel, Iron City beer, and a permanent haze over the city. The steel and haze are now gone, but we will be there in force this August. It is the 113<sup>th</sup> Anniversary Convention of the American Numismatic Association, and IOWMC will be holding its annual Board and Membership meetings. We have not received the paperwork yet, but we anticipate that both meetings will be held on Wednesday, 13 August at the David Lawrence Convention Center right in downtown Pittsburg.

Personally I have not been there for years, and I'm looking forward to exploring a bit of the city and of course seeing my numismatic friends. I hope you are able to get there. I have only a couple of agenda items so far, and if you have any please send them to me. Also I am looking for ideas for the 2004 President's wood issue, which must go into production very soon. Again, if you have any ideas, please let me know.

Travel hasn't been too heavy this month, with two trips to San Diego and one to Pearl Harbor. Always on the lookout for woods, I am dismayed to report that I have located only one in the past month—the annual Coin-A-Rama wood issued by the San Diego County Inter-Club Numismatic Council, a coalition of seven clubs in the San Diego area who put on a annual show and share the profits. Best of luck to them.

My USPS address is PO Box 3003; Nashua, NH 03061-3003, and my email is [bobfritsch@earthlink.net](mailto:bobfritsch@earthlink.net). Keep those cards and letters coming!

Bob

## FROM THE EDITOR'S DESK FOR MARCH

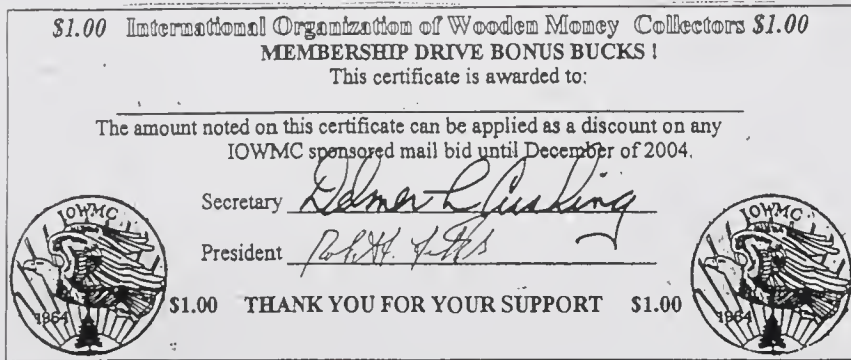

Many members have written to express the fact that their membership dates have not changed on their address mailing labels. These have been changed prior to this mailing. If there is an error in any information printed on your address label, please contact the secretary to have it corrected.

I'm saddened to report that Mayme E. Scott passed away on March 22<sup>nd</sup>, 2004. Mayme was our 24<sup>th</sup> President and very active in our organization for many years. Her husband (Walter Scott) Scotty, was our club editor for fifteen years. They are together again.

We seem to be picking up new members every month. If there are collectors in the state that the member is living in, please take the time to drop them a line and offer your knowledge in the hobby. It is easy to get lost in the woods if your not use to them. Much better to have a guide! You will start a new friendship and help a new collector find the enjoyment that we share in our hobby now.

The ads have been coming in well, but there is room for more. Send in your ad to buy-sell-trade and have it printed in the next three issue of BC. Also remember to respond to ads you see in Bunyan's Chips if you can help your fellow collector. It is through contact with each other that we learn and grow within our collecting fields. There are thousands of woods out there, lets help each other to locate them. Until April Rob Quinn

## **BONUS BUCKS MEMBERSHIP DRIVE**

During the next two years, IOWMC is holding a membership drive to bring more members into our organization. For every new member that you sign up you will receive a "Bonus Buck". These are to be used as a discount towards the total winning bids on special club mail bids. The more you sign up, the more you can save on the mail bids. These "bonus bucks" will be mailed out inside the members newsletter monthly. Sign up a new member today and receive your bucks next month. Additional discounts and special offers may be posted in the future. Keep a sharp lookout for the dollar sign (\$).

### **MATERIAL NEEDED FOR BC**

It is that time of the year when we start planning for the flower and vegetable gardens. But keep in mind it is also a good time to plan out what woods you want to trade or sell off this summer. We need ads from the membership to keep the newsletter filled with information on such things. Send your lists to the editor and start reaching the members who are looking to buy/sell/trade this year. We are all in the woods together, but it is nice to go into new woods from time to time. Send in your ads for a free three month printing.

postcards coming.

## IOWMC MAIL BID SHEETS

The club sponsors a few mail bids every year.  
These are posted in Bunyan's Chips and given a  
closing date that gives most collectors enough time  
to bid on lots that they want. Any member who  
does not understand how a mail bid works, please  
feel free to contact the editor, or any club officer to  
help you with this process. It is simple and fun to  
bid on wood issues that you would like in your  
collection. You can also contact Clinton B. List to  
find out more about the mail bids as well. Write  
him at 55 Wood Song Drive, Eastham, MA 02642  
As Clint always says, "If you over bid your  
pocketbook, ask about payment terms".

## FENTON, MICHIGAN

The first wooden nickel to commemorate a centennial in the United States was issued in Fenton, Michigan. These woods were issued in 1934. The idea of using wooden nickels as a means of publicizing the Fenton Centennial was the brain-child of J. C. Peck and Horace Hitchcock, who were in charge of publicity for the centennial.

The wooden nickels were printed in Fenton by Claude Cohoon who had a print shop on East Caroline Street. Colonel Fenton and Daniel LeRoy were almost equally and jointly responsible for the founding of Fenton. The main street of Fenton is named after Mr. LeRoy. Mr. Peck and Mr. Hitchcock thought that it might be a nice gesture to have Mr. LeRoy acknowledged for this event, so exactly twenty of the one wooden nickels with Mr. LeRoy's picture were printed. These twenty issues were given to the twenty men who acted on the executive committee for the celebration. As of this writing (June 1967), only six of these special issues can be accounted for.

The committee did not anticipate the rapidity with which these wooden nickels would be picked up and taken out of circulation. The nickels were printed in series of one, two and five wooden nickels. Originally 2,500 of each series were printed. These were distributed to local merchants, who paid face value for the woods. They in turn were to hand them out to customers as change, if acceptable to those customers. There was no problem in getting the co-operation of the merchants, since all wooden nickels were redeemable at par prior to July 7, 1934. They were released to the merchants about a month before the date of the celebration and in less than one week the supply of wooden nickels were all but gone. A second printing was made of about 1,500 pieces of each issue and handed out to the merchants one week before July 4<sup>th</sup>. By noon on July 4<sup>th</sup>, no wooden nickels were to be found. On July 7<sup>th</sup> approximately \$7.50 worth of wooden nickels were presented for redemption, and these were all presented because they had been broken.

Following July 7<sup>th</sup> there were so many requests from out-of-town people asking for copies of the wooden nickels, the committee decided to run off a small additional supply to take care of those requests. There were about 1,000 copies printed, but no record as to the domination printed

**(The above material was submitted by Mr. Floyd Hartley #C-63 for the July 1967 Bunyan's Chips)**

## FROM THE EDITOR'S DESK

I had hoped to have an article on the Newton Falls flat and round issues in this month's newsletter. My main contacts are in sunny Florida and will not return until early May. I will make every effort to put a story together for the club for the May or June issue. I want to thank all the members who have sent material in for this month's issue. I ask that members take advantage of the free ads and send in your buy-sell-trade listings to be posted. I hope you all have a great summer and find yourself lost in the woods from time to time.

Until next month *Robbin Quinn*

IOWMC 40<sup>TH</sup> ANNIVERSARY

## ANA HOTEL ROOMS HELD

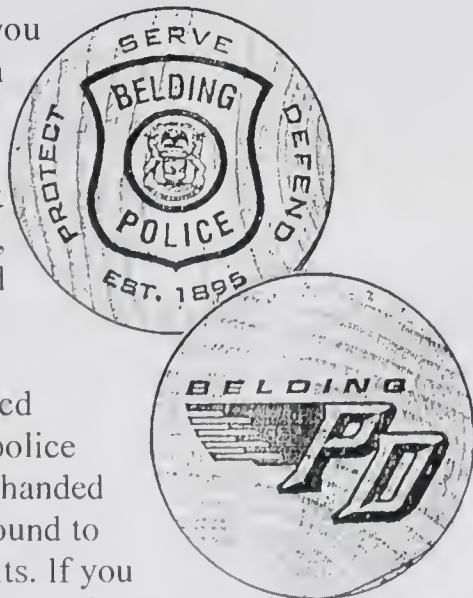

Arrangements have been made for the annual meeting in Pittsburg, PA at the Days Inn #4091. This is located at 150 Banksville Road at I 279 at Banksville Road. The room rates will be \$63.00 per day plus all taxes. Rooms will be held at these prices until July 17. After this date, they cannot guarantee the price or the availability of any rooms. When making reservations call Days Inn central at 1 (800) 241-2340 and ask for the rooms under Wooden Money # 66683171 I will post directions in a later newsletter. If any members know of a better rate and location to the Convention Center, please feel free to contact me. Bill Snider, 1127 Oneida Ave Louisville, KY 40214-4132

## CATALOGING OHIO COIN CLUBS

I'm now cataloging all known Ohio Coin Club rounds and flats. If you have a listing of these coin clubs I could use the information. I'm also willing to purchase these woods if you have any for sale or trade. I need to hear from the membership on this project to complete the work. Robbin Quinn, 5295 Beechwood Road, Ravenna, OH 44266-9119

## SEATBELTS WORTH A NICKEL

In Belding, Michigan, you might receive a wooden nickel for wearing your seatbelt, or a ticket for sure if you don't have it on. The Chief of Police, Dale E. Nelson, has had wooden nickels printed up for his department. These woods will be used as a promotion for the police department and will be handed out to drivers that are found to be wearing their seatbelts. If you are in the Belding area don't forget to buckle up!

## LIGHTHOUSES OF HAWAII SERIES

On the northern coastline on the island of Kauai, Stands the tall shining Lighthouse of Kilauea Point. The lighthouse flashed its first light in 1913. In the later years, the lighthouse was manned by the United States Coast Guard until 1975. Today it is one of the two Lighthouse Keeper's dwelling preserved. Diamond Head is the other. Kilauea Lighthouse is listed in The National Register for it's Historical Places and also a National Wildlife Refuge.

This issue is the third issue in the series on Lighthouses of Hawaii. The woods are hand colored which makes no two issues alike. The reverse shows surfing at Waikiki Beach. Cost of the issue is \$2.00 postpaid. Send your order to Honolulu Coin Club, P. O. Box 29005, Honolulu, HI 96820

## A DAIRY QUEEN UPDATE

I recently received the woods shown below from Monty Bowman of Missoula, MT. All four are from the three Dairy Queen's located in Missoula. These tokens from the "3 Missoula locations" have been listed in my book "A PICTURE GUIDE BOOK OF THE DAIRY QUEEN WOODEN TOKENS" before but these four are different from those previously listed. All four are the traditional red in color and all four have the type 5 reverse. If anyone has any new Dairy Queen's to report, please send me good clear copies of the wood, or the wood itself, and be sure to let me know the color. I will then include it in a future "DAIRY QUEEN UPDATE" and later in my book should I decide to print a second edition. Send anything you have to me at P. O. Box 124, Highspire, PA 17034 Thanks to all who have helped me in the past!

Will the real **HARDEN COUNTY, OHIO** please stand up! David Clouse needs to know what issue is from Harden County, Ohio. There are three listed in the 8<sup>th</sup> Edition and he wants to know what the issue from Ohio looks like. Send a copy of your wood to David Clouse, 81 S. Diamond Hill Road, Clayton, OH 45315

## 2004 - BENEFIT/RAFFLE DRAWING

Time is fast approaching to get everything rolling for the Benefit/Raffle Drawing. In the next month or two I will have the envelopes with tickets ready for the Editor can enclose them with the Bunyan Chips.

I received a nice box of goodies from Wally Krocsko. Thank you very much.

Mail your donations to Virginia H. Dennis, 1852 Golden Shadow Drive, Henderson, NV 89015-8620.

Due to problems with contacts being in Florida on vacation, the article on the Newton Falls, Ohio wood issues will not be placed in Bunyan's Chips until the May or June issue.

## PRESIDENT'S CHIPS

The ANA Convention in Pittsburg is shaping up to be a great one. Opening day of the show, Wednesday, 18 August, will be Wooden Money Day, with two (count 'em, two) wood clubs meeting on the same day. First, our club will hold its Board Meeting at 9:30 AM until 11:00 AM. Then our General Meeting will be conducted from 11:30 AM until 1:30 PM. The other club, over which Second Vice President Bill Snider presides, will meet at 2:00 PM to close out the day. Members of either or both clubs can arrive Wednesday morning and depart that evening if desired, to save hotel costs. Hotel information was posted in last month's Bunyan's Chips.

This is the time to call for agenda items, to be addressed during the formal part of the meetings. One item is the formation of a Nominating Committee, to find candidates for office on the 2005 election. Another item is club awards which will be distributed at the General meeting. Do you have any item or items of business that needs Board consideration? If so, please email or write me so it can be put on the list.

I received a letter from a gentleman who saw the Wooden Money article in a recent Coin World. He had run for office in his town and distributed wooden nickels during his campaigns. He lost, but indicated that the woods were an excellent way to get his name in front of the voters, as people rarely throw them away. He included a sample of each and it was immediately obvious that these were problems for the collector. They are Mavericks, with only the town but not the state listed. There was also no date so historians in the future will have to wade through a lot of material to find his name and determine which era he belongs to. We all know the rules for creating our own woods, and one of those is to avoid making a maverick.

I look forward to seeing all of you in Pittsburgh. My email address is [bobfritsch@earthlink.net](mailto:bobfritsch@earthlink.net) and my USPS is PO Box 303, Nashua, NH 03061-3003 Cheers!

Bob

## FROM THE EDITOR'S DESK

It seems like the months are going to fast. Here in Ohio we are waiting for the rain to let up so we can get out and enjoy our summer. Too wet to do very much but watch the grass grow to high. I'm still working on the Newton Falls article so hope to have it in the June issue of BC. Don't forget to send in your ticket stubs to Virginia Dennis. You will find them in this month's issue. Thanks to all who responded to last month's maverick round up. If you have a wood or two that you would like to find out more about, send a good clear copy of it along with your address and we will post it in the newsletter. The hobby has been inactive due to the winter, but I see more members are starting to get back into the woods. Mail in your ads to buy-sell-trade!!!!  
Until next month

## PRESIDENT'S CHIPS

The annual meetings are almost upon us. I see from the ANA web site that the Convention Hotel is now sold out and there are limited rooms at the other official hotels. If you plan to attend, it is best to make your reservations now before it is too late.

As stated last month, our meetings are on 18 August, the opening day of the convention. Both wooden nickel clubs are holding their meetings on the same day so those of you within driving distance can make it a day trip and save money on a hotel. All meetings are in room 324 of the David Lawrence Convention Center in downtown Pittsburg.

See you in Pittsburg!

Here is a preliminary agenda that we will be discussing. If you have any items to add, please contact me soon.

Convene

Pledge of Allegiance

Introductions

Secretary's report

Treasurer's report

State of the Club

### Old Business:

Bonus Buck Membership Program- The concept is alive and well

Web Site- ANA will host the site if we provide the content. What do we want to tell the world about our hobby?

Dues Raise- We have had dues set at \$7.50 for several years now and our expenses are getting very close to that amount. Should we raise the dues to \$10.00? last year's vote was not in favor of doing so.

Sponsorship of Mini-Meetings- While our annual meeting is at the ANA, we should also reach out to those who cannot attend each year and have local or regional meetings at various places around the country. Any member can host a meeting and the club will provide materials. Fostoria in 2005? Joint sponsorship with DWMC?

Slide Show for ANA Library? What do we want in the show? We need someone to chair this initiative.

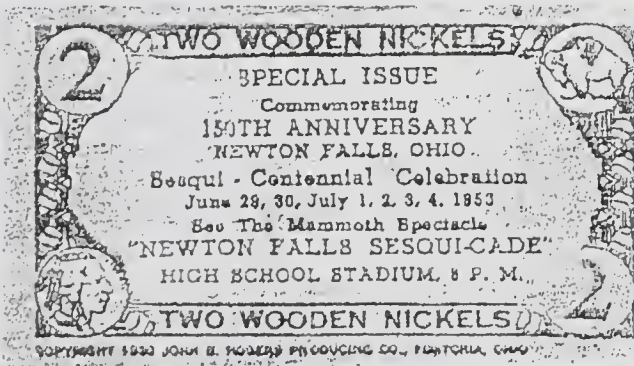

Membership Applications- A page full of membership applications will be provided to anyone who wants one or several. There will be room to print your name as sponsor. Members are encouraged to reproduce these forms locally and leave them at local shows

## FROM THE EDITOR'S DESK

Sat down and put my notes together to get the article done on the Newton Falls, Ohio, celebration and wood issues. My trips to Newton Falls did not net me a needed wood issue, but I did make some new friends. I hope the story is worth the wait! Spent a week in South Dakota for some computer training by the company I work for. Sorry the issue is out late this month again. Until the July Issue Robbin Quinn

## "THE MAMMOTH SPECTACLE"

During June 29<sup>th</sup> to July 4<sup>th</sup>, 1953 Newton Falls, Ohio, held their Sesquicentennial celebration. Long before events being held, the John B. Rogers Production Company of Fostoria, Ohio, was working with the Newton Falls Sesquicentennial committees to put together a program. The Newton Falls Herald had many ads placed that requested the donation of materials required and that local talent was needed. The event was being billed as "The Mammoth Spectacle". Presentation of events were placed into episodes and held during the six day event at the High School stadium. Episode one was used to honor the Queen and her royal family. The second episode depicted the first white man to Newton Falls and his meeting with the Delaware, Shawnee and Ottawa Indians. "Remember The Sabbath" was part of their third episode. Towns folk going to the first church built in Newton Falls after the founding. With the 4<sup>th</sup> & 5<sup>th</sup> came the first school days. Part of the feature showed five children skipping school and getting caught by the teacher. Next was canal days and took place along the banks of the river. People lined the banks to wave at Ms. Jenny Lind as she went by. Jenny Lind was an opera singer from out east. There were two large scenes of the civil war and local actors were used to portray General Lee, General Grant and that of President Lincoln. Next came the "Gay Nineties" followed with fast and humorous scenes showing comedy cops and a large production of cancan dancers. Episode eleven covered the events of the first and second world wars. The last event was a large parade with local floats and hundreds of episode actors walking along. On the evening of July 4<sup>th</sup>, the spectacle concluded with a large fireworks display.

A three piece set of wooden flats were issued to commemorate Newton Falls 150<sup>th</sup> anniversary. These were sold to local merchants and offered at the headquarters in the city building. Values of five cents, ten cents and twenty five cents were placed on the three piece set and each was printed in black ink. These could be redeemed at face value until July 6, 1953 at the Union Savings and Trust Bank of Warren. Records show that the Newton Falls Herald received hundreds of requests in reply to their article about the wooden money being available. Many of the residents purchased the set of woods and mailed them to family and friends

the same day they were offered to the public. Today, these woods are not found in very many collections and records show that they were sold to the Newton Falls merchants the same as for many of the other events that the John B. Rogers Production Company printed wooden money for. It is to remain a mystery as to why these woods are so hard to locate. One local story was that the court house caught on fire and some of the wood issues might have been stored there. But after going through newspapers from the Newton Falls Herald, it was discovered that this is nothing more than a local tale that was being passed around. If you have any of these issues then count yourself lucky to have one. If you have a complete set then you are very lucky indeed. In 1971, a three piece set of wooden nickels were also issued from Newton Falls. But this is a story to be told in a later issue.....

## 2004 - BENEFIT/RAFFLE DRAWING

I have received several packages of donations from Bob Brown, Elmer Oehlke, Wally Kirocsko and Stephen Alpert. One year free dues have been received from George Schweinfurth, Del and Mary Cushing, and Denver Howard. Please keep those donations coming as we still need material. Our thanks go out to all.

Received a telephone call from Allen Nystrom a few days ago and he is mailing some woods for the auction with all money going into the club's treasury. Thanks Allen.

Don't forget to mail in those ticket stubs and money as soon as possible. Time has a way slipping by a lot faster than we expect. Also remember a year's free dues makes a very nice door prize. Mail all your donations to Virginia H. Dennis, 1852 Golden Shadow Drive, Henderson, NV 89015-8620.

## THEME COLLECTING

Official wooden money can be found in almost every collection. These issues have the higher book value for sale and trade. Semi-official issues follow but hold a lower value between collectors. Next you will find wood termed as "junk" wood. These issues run from A to Z, and cover almost anything you can print onto a wooden nickel. Examples are such things as coin shops, restaurants, political, pharmacy, military, scouting, festival, fair, rodeo, sports and etc... These types of woods are found at coin shops, antique shops, flea markets and other such places. Oddly enough, many collectors of wooden money have collections comprised of these "junk" wood issues. These are cataloged as **Theme Collections**. Wood issues that are related in a subject matter and cataloged by the collector of such material. Some of these types of collections are very small while others are extensive in there theme. Wooden money collectors have found another source of collecting that is low cost, material is available and enjoy it equal to that of official wooden money as well. It only takes one wood to spark your interest, two or more of the same and you are a step closer to collecting the issues. There is very little value in having theme collections aside from the supplies purchased to house the collection. Theme collections like that of wooden money, are just another hobby to enjoy and share with fellow collectors in our hobby. Place an ad for any theme woods you are needing or thinking about collecting. You might be surprised to discover just how many fellow collectors have these woods in their holdings! ~Editor~

## Drug Store Chain Sold Tenino's Wooden Money

A souvenir of depression days in the form of a bit of wooden money was sent to Coin World by Herman Herst Jr., of Shrub Oak, N.Y., a regular contributor to Coin World's sister publication, Linn's Weekly Stamp News.

Herst was brought up on the West Coast in Portland, Ore., and recalls the depression quite well, as he graduated from Reed College there in 1931.

In 1933, the lumber town of Tenino, Wash., in order to relieve the shortage of money in circulation and to permit payment of debts, had the chamber of commerce issue a series of wooden notes.

The coast chain of drug stores, the Owl Drug Co. purchased a quantity of these from the chamber of commerce, and placed them on sale at face value at their Portland store in the spring of 1933. It is supposed that they purchased them at a discount from face value to permit their sale at face, a deal the chamber presumably was happy to make, since they knew the bills would never come back to Tenino for redemption, Herst

Tenino, Wash., wood issue, purchased at face value in West Coast drug store.

says.

Herst adds that the origin of the name Tenino is also rather interesting.

When the town was started, residents argued about a suitable name for it, without being able to agree. Finally, one person suggested that since the elevation of the town was 1,090 feet, a suitable name would be ten-nine-o, and that was chosen. Occasionally it is thought to be of Indian derivation, but it is not. And with this little story mind, mispronunciation of the name would be impossible.

## PRESIDENT'S CHIPS

Received an interesting letter from the son of a deceased member a couple of weeks ago. Gary Littrell wrote that his father, Glen Littrell, was an avid collector and producer of the Whooping Crane wood issues. He would hand paint his woods and they were in high demand among fellow collectors, as were the posters that were produced.

Mr. Littrell generously offered to donate five posters and a plaque to IOWMC for the annual auction. The plaque was awarded in 1982 by the IOWMC for "Best Wood of the Year". While the original offer stipulated that the five posters be sold as one lot, I have requested that they be split into five single lots. Whichever way Mr. Littrell wants it, however, is the way they will be sold.

It is generosity like this that helps our club to maintain its solid financial footing. It is not too late for you to donate items to the raffle and/or auction. Just send them to Virginia Dennis whose address is listed elsewhere in this issue.

See you in Pittsburg.

*Bob Fritsch*

## FROM THE EDITOR'S DESK

Seems I'm forever running late with the monthly issue of Bunyan's Chips. I hope you all had a safe and enjoyable 4<sup>th</sup> of July holiday.

You will please note that members have been sending in want ads for our publication. Please take the time to answer them if you can help in their collecting interest. There is room enough for even more ads so mail them in today.

Have received a nice article from Darrell Luedtke, that will be placed in the September issue of Bunyan's Chips for all to enjoy. I'm working on two articles about wood issues from here in Ohio. I hope to have them ready for the Oct. and Nov. issues.

I would like to remind everyone that the club Bonus Buck program is still in effect. You need only sign up a new member to receive your \$1.00 discount good towards the club sponsored mail bid. The more you sign up the less you have to pay for the wood issues you win on the club mail bid. For details about the Bonus Bucks or that of the club mail bid, drop a line to the editor. **Membership roster mailing out during Aug.**

## 2004 - BENEFIT/RAFFLE DRAWING

I am pleased to tell you that woods, free dues and miscellaneous items were received from Gary Beckstrom, Larry White, Floyd Thomas, Donald Thibedeau, Robbin Quinn, Allen Nystrom, Al Zaiker, Bill Snider, William Carr and William Morphet.

Have you mailed in your ticket stubs, money and some donation to this well-worth fund raising project???? Participation is low as only 50% of the members have partake in this project.

Don't delay in mailing those ticket stubs and money as time is going bye fast. Mail to Virginia H. Dennis, 18521 Golden Shadow Drive, Henderson, NV 89015-8620.

**REMEMBER** that the August issue of Bunyan's Chips will not be issued so that I can attend the ANA meetings in Pittsburg, PA. The updated club membership roster will be mailed out to you during this time.

The insert in this months issue is a listing of items that will be auctioned off at the ANA meeting this year. Being that there is little time, anyone wishing to place a bid on these items must do so as soon as possible. Mail to Virginia Dennis at the address noted at the bottom of her report.

Working on new address labels so should you find an error, please contact the editor to have a correction made.

## PRESIDENT'S CHIPS

Wow! What a meeting! We just completed the annual meetings at Pittsburgh on Wednesday, and it was a joy to see so many old friends.

The meeting itself was full of energy and the raffle and auction had lots of bidders. We were able to go through the agenda with a minimum of haste and concluded all our business for the year.

The major item we discussed was a Wooden Money Meet in Fostoria, Ohio. We will make it happen for next year. VP1 Bill Snider and I are a committee of two and we are targeting the Spring coin show of the Fostoria coin club. Arrangements should be firm by December. Watch this column for developing news. I personally believe that this meet is important to the hobby, and the attendant publicity can only benefit our club.

You may have noticed an absence of President's woods the last couple of years. The situation is being taken care of, and the woods for 2003 and 2004 will be produced and sent to you soon. My apologies for not continuing this important series in a timely manner.

We also appointed a nominating committee of one (me) for next year's elections. We already have some names, including a new volunteer for Governor- Richard Boyles. I wish to thank Richard for stepping forward and injecting new blood into the club leadership. Nominations are still open and I encourage you to submit your name for office. Just send an email or letter to me.

We were saddened to hear of everyone's dear friend Reva Kline who had a stroke earlier this year. We purchased a couple of cards for her and everyone at the meeting signed them. They were taken back to her home and were read to her as the stroke has left her pretty helpless. You can send your well wishes to Reva Kline; 813 Fay Road, St. Camillus Rehab Center, Syracuse, NY 13219

Finally I want to thank everyone on the Board and the members who attended our meeting this year. The club can survive only through the support of the members and there were a lot there to help us along. As always, I can be contacted at [bobfritsch@earthlink.net](mailto:bobfritsch@earthlink.net) or via USPS at PO Box 3003, Nashua, NH 03061-3003. As Always, Bob Fritsch

## FROM THE EDITOR'S DESK

I'm sorry for the delay in getting this issue out so very late to the membership. My computer went down once again and is being repaired at this time. I'm using my old computer as a last resort and had hoped to be using the other before now. I have alot of material to place into BC and will split it between this issue and that of the Oct. issue. The Oct. will be mailed out and has some good material to read over. Again, sorry for the delay.

### MYSTERY OF THE RED X

In 1998, the Village of Mantua, Ohio, held their centennial celebration. A wooden nickel was issued for the event from the Mayor's office. Issues are five cents, have an Indian and printed in green ink. Thousands of these issues were purchased for the planned weekend event to be held during the mid summer. Due to poor weather during their weekend celebration, the public turn out was far below what was expected, and this left a large amount of wooden nickels in the Mayor's office. During 1999, the woods

were sold at different events held during the year and still they had a large amount to recover their funds from. The extra woods were boxed up and kept at the home of the Mayor's secretary for the next two years. Mantua hosts an annual Potato Festival that predates back to the Civil War. Known then as the "Potato Show", local farmers would bring in their product to be put on display for awards, fixed into different kinds of food items and take orders for next years harvest. It was during 1938 when local merchants and businessmen held a meeting at the city hall and changed the name to Potato Festival. The event was more a country fair than a festival up to this time. County agents and agricultural experts were on hand to answer questions and give advice on potato production in the area. During World War Two the potato festival went into the vegetable bin and was not started up again until 1974. It is held the weekend after Labor Day and has turned into a three day event. It was during 2000 while I and my family attended the festival that I found the 1998 official by chance. We had purchased some food items from the vendors at the festival and needed a place to sit and eat. The only tables with enough room for us to stay together was in the beer tent. This is set up every year as part of the festival regulars. It was while we were passing through the front to the tables that my daughter noticed wooden nickels (she has been trained well) in the cash box. I asked if I might have a few of the woods and was told that they were \$2.00 each. Once you purchase a "token" you take it to the rear of the tent and cash it in for a beer or glass of wine. After paying the two dollars and receiving the wooden nickel, I noticed it had a large red X marked on it. I asked if there were any woods without this marking and was told that it was put there to keep from giving their product away. It seems that some of the locals caught onto the great idea of bringing in the woods that were issued back in 1998 and using them to drink for free. To stop this from going on, the vendor placed a red X on every wood they were using. It would seem that the Village of Mantua had sold the remainder of their wooden nickels to this vendor and for the first year (unmarked) they were used for drink tokens. What stopped the locals from putting a red X on their woods is beyond me. Anyways, it was not until 2002 when I was able to obtain an unmarked issue of the official wooden nickel. If you have the issue in your collection with a red X marked upon it, then you now know the rest of the story behind it.

FINAL REPORT - IOWMC BENEFIT/RAFFLE DRAWING - August 18, 2004

Total ticket sales (by mail) \$590.50; ticket sales at meeting \$55.00; auction netted \$578.19; and there were nineteen (19) one year free dues \$142.50. Total came to \$1,366.19; but expenses were \$131.80; which leaves a profit of \$1,234.39.

(Expenses included purchase of drawing tickets, envelopes, printing and mailing all to the editor. In addition there were forty-five (45) door prizes that were mailed.)

Thanks again to the members who supported this well-worth project for IOWMC. Members who sent donations were: Gary Beckstrom, Sidney Bick, Norm Boughton, Gerald Braitwaite, Robert Brown, Joseph Burford, William Carr, Del and Mary Cushing, Wayne and Virginia Dennis, Velma Dietrich, Robert Fritsch, Adam Fritzel, Cliff Gabard, John Hoffman, Denver Howard, J. Kemp, Reva Kline, William Morphet, Elmer Oehlke, Ken Paulsen, Robbin Quinn, G. Schweinfurth, Bill Snider, Floyd Thomas, Larry White, Jane Wilbur, John Wilson, Al Zaika and Aloma Blaylock.

A special thank you goes to Gary Latrell for his donation of six items from his Dad's collection of Whooping Crane woods and misc. items. These items alone sold for over \$125.00.

Member who purchased additional tickets and/or donated extra money were Sidney Bick, Gerald Braithwaite, Joseph Burford, Richard Burt, Peter Caminati, William Carr, Ella Cochrane, Gerald Conroy, Frank Cover, Harry Davis, Velma Dietrich, Mel Frank, Robert Fritsch, Cliff Gabard, Denver Howard, J. Kemp, Clint List, Larry Kinder, Charles Luce, William Morphet, Harry Neumyer, Ken Paulsen, Robbin Quinn, Gladys Schweinfurth, Floyd Thomas, Art Tuberman, Glen Whisler, Jane Wilbur, Richard Wiltberger, Ted Wolverton, and Al Zaika.

Auction was conducted by Dale Cushing who was assisted by Bill Snider, Ken Paulsen and Robert Brown. As he did in past years, Dale did a super job in selling all but three items. There were nine (9) members who submitted mail bids and only one member was unsuccessful getting all or a portion of their bid.

Door prize drawing was conducted by Floyd Thomas, Ken Paulsen, Bill Snider, Wayne Dennis and Bob Brown. All the door prizes that had to be mailed were mailed shortly after we arrived home. Also mailed all successful bidders their auction wins. Wayne Dennis and Robert Fritsch gave all or a portion of their door prize winnings to other members. Thank You.

I hope I have not failed to mention other members who helped me this year. If I have, please accept my apology as it is just an oversight on my part.

On behalf of myself, the IOWMC Officers and Board Members, THANK YOU ALL who continuously support our great organization.

THANK YOU ALL.

## **Evanston - Northwestern University Centennial Wooden Nickels**

**By: Darrell Luedtke**

Every wooden nickel tells a story and that's one of the things that fascinated me so much that I got involved in collecting them. In 1951 the city of Evanston, Illinois put out 13 series of flat wooden nickels, totaling 89 pieces, to commemorate the centennial of Northwestern University. Each of the series has a story behind it, as follows.

**Centennial Hall** - Kresge Centennial Hall (1955) was built to commemorate Northwestern's 100<sup>th</sup> anniversary and named for the Kresge Foundation (which gave \$500,000 of the \$2.4 million cost of the building).

**John Evans** – A wealthy physician and businessman, he moved to Chicago where he founded Mercy Hospital, the Illinois Medical Society, was elected to the Chicago City Council, founded the Illinois Republican Party, ran for congress and was a friend of Abraham Lincoln. In addition to being a successful physician, he invented many surgical instruments, some of which are still in use. He was one of the founders of Northwestern University where he chaired the Board of Trustees until his death in 1887, even though he eventually became the Colorado Territory Governor from 1862-1865. Evanston is named after him.

**Glencoe** – City to the north of Winnetka. First settled by Anson Taylor in 1836 on the Fort Dearborn-Green Bay trail. It was first named Taylorsport. Most of the land was owned by a farmer, Matthew Coe, and the name may originate from "Coe's Glen" or Glencoe, Scotland.

**Glenview** – City to the west of Wilmette. Marquette and Joliet were said to have traveled through the area in 1673. 1832 marked the first permanent settlers. After the great Chicago fire in October 1871 a railroad was built from Chicago to Milwaukee to bring lumber south to rebuild Chicago. A meeting at a local tavern in 1899 came up with the name Glenview because you could view the glen from there.

**Lady Elgin** – Wisconsin was the site of the founding of the Republican Party and, in the presidential election of 1860, it was embroiled in states' rights and slavery issues. On September 7, 1860 the Lady Elgin, a double-decked side-wheeled steamer, departed Milwaukee for Chicago with a Democratic militia to attend a Stephen A. Douglas party rally. Around 11:30 PM the Lady Elgin, with up to 700 persons and 50 head of cattle, departed for Milwaukee. At 2:30 AM it collided with the schooner Augusta which was bound for Chicago with a load of Wisconsin lumber. Within 20 minutes the Lady Elgin sank in 60 feet of water and only 160 passengers were saved. Over 1000 Milwaukee children were orphaned.

**Grosse Point Light House** – A historic lighthouse built in 1873 in what was then known as Grosse Point. It sits on a point of land that juts into Lake Michigan and was built to guide ships on Lake Michigan.

**Orrington Lunt** – A strong Methodist and successful commodities broker was co-founder of Northwestern University and was responsible for the selection of the site for the university when, in 1865, he deeded 157 acres for creation of the university. He is credited as its most devoted servant and presided as president of the Board of Trustees in 1865. The university's first library was renamed Lunt Hall in his honor.

**McGaw Memorial Hall** – Also known as Shirley Welsh-Ryan Arena, which is the site for Northwestern University's basketball arena.

**Old College** – Northwestern University was founded in 1850 by John Evans, a strong Methodist and an idealistic young man dedicated to building a Christian university in the old Northwestern Territory. In 1851 Northwestern University was chartered by the state of Illinois. In 1855 a three-story frame structure, later known as Old College, was erected. The first classes were held in the structure in 1855, which still stands to this day.

**Skokie** – City bordering Evanston to the west. First settlers were from Germany and Luxembourg. Incorporated in 1888 as Niles Center and changed to Skokie in 1940.

**Frances Willard** – Born in New York, the family moved to Evanston in 1858 so that she could attend Northwestern Female College. She became the first Dean of Women at Northwestern University and was instrumental in the university becoming co-educational in 1869. From 1879 until her death in 1898 she promoted women's rights, suffrage, equal pay for equal work, an 8-hour day and temperance.

**Wilmette** – City bordering Evanston to the north. First settled about 1829 and incorporated in 1872. It was named after the first settler, a Frenchman named Ouilmette.

**Winnetka** – City to the north of Wilmette. Founded in 1836 by a family who built a tavern on the trail from Fort Dearborn, as Chicago was called back then, to Green Bay, Wisconsin. Incorporated in 1869.

## 140<sup>TH</sup> BIRTHDAY of PRESCOTT, ARIZONA

The wooden dollar that announces the 30<sup>th</sup> annual Prescott, AZ Coin Club's Coin & Collectibles Show at the Embry-Riddle Aeronautical University Gymnasium, 3700 Willow Creek Road, Prescott, AZ, on May 13-15, 2004, also commemorates the 140<sup>th</sup> anniversary of the founding of Prescott, Arizona. Both sides are printed in brown ink. The obverse gives information about the show, and the reverse side features a drawing of the First Governor's Mansion, courtesy of the artist, Karen Lindquist.

It was only fitting to celebrate Prescott's 140<sup>th</sup> birthday with a picture of the First Governor's Mansion because it is the oldest building associated with the Arizona Territory that is still standing on the original location. And the mansion, now restored to depict its life as both a home and office of the Governor on the Arizona frontier and functioning as the centerpiece of the Sharlot Hall Museum which surrounds it, was undoubtedly saved from demolition by Sharlot Hall herself, who first founded her museum in that building in 1927.

However, back in May, 1864, the site was a knoll which sloped eastward toward Granite Creek and was covered with Ponderosa pine trees that became the logs, boards, and roof shingles of the territorial governor's home. Construction under Samuel Blair took four months and cost \$6,000.00.

And "mansion" is truly a misnomer when one sees this small rustic log building, but it was truly a mansion in comparison to the tents, wagon boxes, and much smaller log cabins in which most of Prescott's other citizens were then living in. It was located near the capitol building, although the first Territorial Legislature probably met there during the winter of 1864.

Information about the First Governor's Mansion was provided courtesy of Sharlot Hall Museum, and you can take a virtual tour of the building and obtain much more information about it if you go to their web site at [www.sharlot.org](http://www.sharlot.org). The wooden dollar pictured above may be ordered for 25 cents each plus a SASE (49 cents for 1 or 2 and 60 cents for 3 or 4) from Sandra Wolf, P. O. Box 233, Dewey, AZ 86327

## FROM THE EDITOR'S DESK

Now that winter will be setting in for many of our collectors, it is time to get more active in our collecting of wooden money. Send in your ads to buy-sell-trade and return to the woods during the winter months. If you hear of or know of a new wood issue, send the information to me and share it with the rest of your members.

The newest address labels were printed up and used for last months mailing. I did have a few returned and some of them were mailed to the members again. Remember, if there is an error in your name or that of your address, please contact me to see that it is corrected prior to the next mailing. Until next month - Rob Quinn

## FRANKLINTON AND FRANKLIN COUNTY

For the past twelve years, central Ohio has celebrated its historical heritage through numerous events; some have issued official wooden nickels to commemorate their events.

Franklinton was the first permanent settlement in what is now Franklin County. It was established in 1797 by Lucas Sullivant, a surveyor for the Virginia Military District. Franklinton became the county seat in 1803, the year Ohio and Franklin County were created, and remained the seat until 1824.

Unfortunately, Sullivant located in a low lying area along the Scioto River, which made Franklinton constantly susceptible to flooding. Probably the most memorable flood occurred in 1913, when Franklinton, Dayton, and numerous other Ohio communities suffered significant loss of life and property. There are many period photo postcards that document this tragedy. In an attempt to correct this problem and to encourage economic development in the area, the Federal government recently constructed a series of flood walls and gates in Franklinton.

In 1812, when Ohio was looking for a permanent location for the state capital, the legislature accepted a proposal from four businessmen to create a new town on the higher east bank of the Scioto River, opposite Franklinton. The new state capital was to be called Columbus, in honor of the famous explorer. Eventually, Franklinton would become a community within Columbus, and be dissolved as a separate town.

During the War of 1812, Franklinton became the headquarters of the Army of the Northwest. The Army's Commander was Major General (and later President) William Henry Harrison. Franklinton was also the site of a significant council between Harrison and fifty Indian chiefs and warriors, including Chief Tarhe, where on June 21, 1813, the Indians pledged their support of Harrison in the war against the British.

In 1816, Sullivant built a bridge across the Scioto River to connect Franklinton to Columbus. The bridge eventually became a part of the National Road. The bridge was rebuilt many times, the most recent occurring in 1992.

On June 20, 1992, the newest Broad Street bridge was dedicated, including an official wooden nickel (5,000 printed). From September 3 to 6, 1997, the Franklinton Bicentennial was celebrated (no woods were issued). On May 6, 2000, a statue of Lucas Sullivant was dedicated along the Scioto River, next to the Broad street bridge, including an official wooden nickel (1,000 printed). From April 30 to May 4, 2003, the Franklin County Bicentennial was celebrated, and a wooden nickel was issued for this event (11,000 printed). On March 15, 2004, the Franklinton flood wall project was dedicated, to include a wooden nickel (5,250 printed). The first thirty SASE's that are received will be sent one Franklin County Bicentennial wooden nickel and one floodwall dedication wooden nickel. (No bridge or statue dedication wooden nickels are available.) Send to: Franklin County Bicentennial Association, 699 S. Front Street, Columbus, OH 43206 For more information you can contact Mike Frush, President, at (614) 445-7217, or [mfrush@forcemail.com](mailto:mfrush@forcemail.com)

All of the woods issued for the above events were printed in blue ink on both sides. I would like to thank Mr. Frush for the material.

## IN MEMORIAM TO ROBERT LEBERMAN

Bob passed after a long illness on 29 October 2004. He is survived by his wife, Verda, and his son. Bob will be missed for his cataloging efforts on Washington, Montana and Idaho wooden money. The Washington Picture Book of Washington and the Montana Picture Book of Wooden Money have been out for a number of years and are the only reference books for these areas. As a friend, I will miss Bob and the Knowledge which I was able to derive from him on wooden money. Del Cushing

## PRESIDENT'S CHIPS

It is amazing how time has shot by since the annual meetings in Pittsburgh. The intervening time has seen me in California, Hawaii, and at sea. While always on the lookout for new woods, pickings have been slim in the places I have been. One bright note is the annual Coin-A-Rama wood issued by the San Diego Inter-Club Numismatic Council. They have been doing a great job on this series of wood issues for I don't know how many years.

I did run across a wood from H.E.Harris, the numismatic supply dealer that says Series 1 Token 1 from the World's Fair of money at Philadelphia in 2000. I have not seen any follow-up on this series although the intent is certainly there. If you know of any further information, pass it to Robbin for inclusion in a future issue of BC.

There was an article in the local paper a few months ago that my wife saved for me that tells about wooden money used in the local Farmer's Markets. People eligible for food stamps or WIC ( Women, Infants and Children) stamps are now receiving Electronic Benefit Cards, which the markets cannot process. So someone came up with a great idea to use wooden money as a form of scrip. The card is used to buy woods which are added for the wares at the market. Unfortunately, it is nearly impossible for me or you to get some of these woods since we are not eligible for the program. I never did make it to the market to check it out and they are now closed for the season. I do have it on my agenda for next spring.

The Christmas season is upon us, and we are all preparing for that festive holiday. Merry Christmas and Happy New Year to all of you, and may Santa leave lots of woods in your stockings!

*Bob Fritsch*

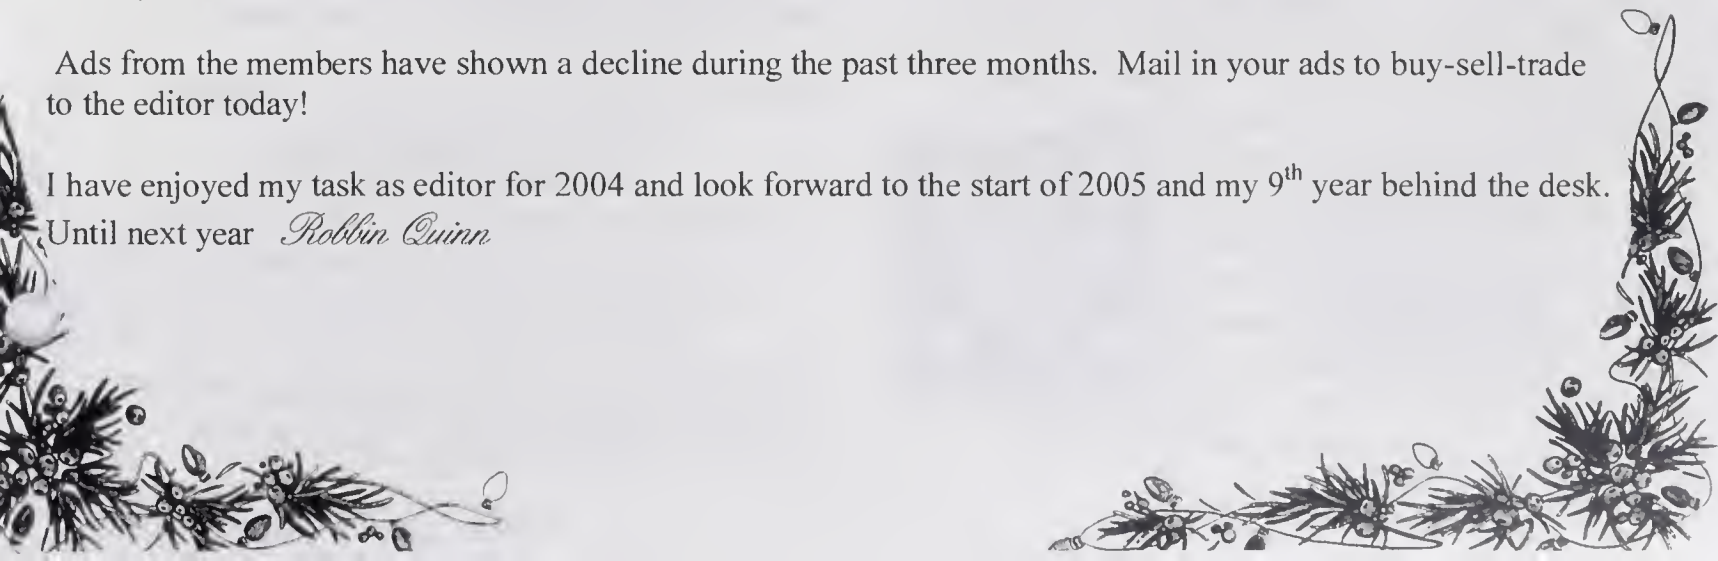

## FROM THE EDITOR'S DESK

I wish to thank all the members who sent in material for Bunyan's chips this past year. Also a big thank you for the organizations that sent in wood ads. A very Merry Christmas to all of you!

The current address labels were preprinted, this means that errors noted will not be corrected until the next mailing. If there is an error in any part of your address label, please contact me for corrections prior to the January issue.

Ads from the members have shown a decline during the past three months. Mail in your ads to buy-sell-trade to the editor today!

I have enjoyed my task as editor for 2004 and look forward to the start of 2005 and my 9<sup>th</sup> year behind the desk. Until next year *Robbin Quinn*

### PRINCE GEORGE 2004 SPRUCE DOLLAR

In mid-May, the Prince George Chamber of Commerce of Prince George, British Columbia, issued a 2004 dated \$3.00 municipal trade token printed on white spruce, 2 7/8 inches in diameter and 1/4 inch in thickness. For many years, this has been the largest printed wood and also the largest wooden trade token issued in Canada. Locally, the wooden token sells at face value of \$3.00. Most wooden tokens purchased are not redeemed for merchandise, but are kept as souvenirs by tourists, residents of Prince George and collectors. This is the second in the 155<sup>th</sup> issue of large spruce municipal trade tokens issued by the chamber. Their first issue started back in 1958 and makes for a very nice collection to complete. Wood pictured below has been reduced by 70%. The 2004, \$3.00 wooden token is available postpaid for \$5.58 for Canadian residents and \$4.00 U.S. for U.S. residents. Send your order to Prince George Chamber of Commerce, Attn: Ms Sharron Tozar, 890 Vancouver Street, Prince George, B.C. V2L 2P5 Canada. (250) 562-2454 fax is (250) 562-6510 a few back issues are available.

### **MANCHESTER, OHIO**

Ohio artists and barn owners were honored during a weekend back on October 23, 2004, for starting a national phenomenon. Twenty barn owners and seven artists were honored for their Barn quilt squares. The event, hosted by the Adams County Historical Society and Travel & Visitors Bureau, coincided with the National Make a Difference Day- largest single day of volunteering in America. The painted barn quilt squares project began back in 2001 when Ohio arts Council member Donna Sue Groves wanted to create something to honor her mother's passion, quilting. On the side of her barn she painted the pattern known as the Saw Tooth Star. In the 1920's, the Saw Tooth Star was also called the nameless star. This pattern's center square was often used for signatures in album quilts. This quilt painting sparked a movement that now can be seen throughout 29 counties in Ohio and as far away as parts of Iowa, and still it is spreading! The same saw tooth design can be found on the obverse side wooden nickel issued from Berlin, Ohio, for their Sesquicentennial held back in 1966. Submitted by: Robbin Quinn

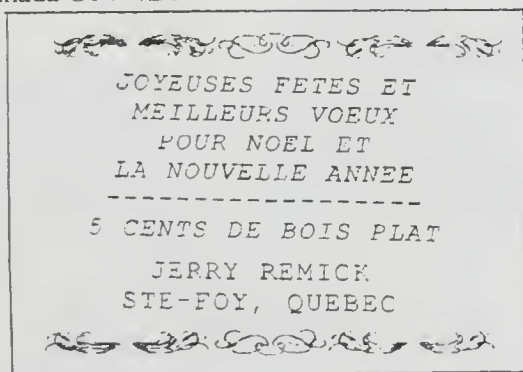

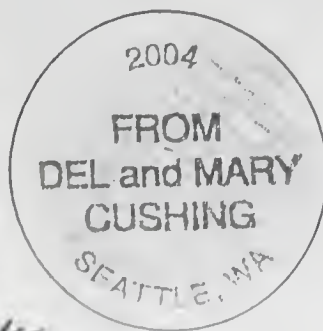

REVERSE SIDE IN FRENCH

Jerry Remick has issued one hundred, white, maple wood flats (3 ¼ inches X 2 ½ inches) showing an angel playing a musical instrument. These are done in red. Fifty others were printed the same but have the color in green. The text on the reverse side is printed in French. This is the only wood flat to be issued in French for many years. The reverse translates as "5 cents of wood flat". A set of the two woods is \$1.50 postpaid and one wood is \$1.00. Send to Jerry Remick, P.O.Box 9183, Ste. Foy, Quebec, Canada G1V 4B1
